

List of Establishments

28 A. PRE-IDENTIFIED LOCATIONS OF OPERATION

We have listed establishments of your company based on Census records. Please update this list as follows:

Column (a) - Correct any errors or omissions in the information. The establishments are listed in the following sequence: Employer Identification Number (EIN) and geographic location.

Column (b) - Report the number of employees and payroll for full- and part-time employees working at each establishment whose payroll was reported on your Internal Revenue Service Form 941, Employer's Quarterly Federal Tax Return. Include part-year operations. Do not combine data for establishments. If book figures are not available for employment and payroll for each establishment, please provide your best **estimates**.

Column (c) - Report operational status of each establishment at the end of 2012.
