

A Message from the Acting Director, U.S. Census Bureau:

We request your participation with the **Manufacturers' Shipments, Inventories, and Orders** survey. The purpose of this survey is to provide broad-based monthly statistical data on current economic conditions and indications of future production commitments in the manufacturing sector. It provides some of the Nation's most widely used, timely information on the manufacturing sector of the economy.

Please use the enclosed form as a worksheet prior to reporting online. Website and login information can be found on the front page of the form. Online reporting is easy, reduces costs, and decreases processing times. You may elect to return the completed form instead of responding online.

YOUR RESPONSE WILL BE KEPT STRICTLY CONFIDENTIAL. Information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, please call us at 301-763-4832, Monday through Friday, 8:00 a.m. to 5:00 p.m. Eastern time.

Thank you in advance for your time and participation, and for helping the U.S. Census Bureau measure America's people and economy.

Sincerely,
