

**FROM THE DIRECTOR
U.S. CENSUS BUREAU**

The Census Bureau requests your participation in the Manufactured Housing Survey, conducted for the Department of Housing and Urban Development. The Office of Management and Budget has approved this survey and given it an 8-digit control number, which is shown in the upper right-hand corner of the form. If this number was not displayed, we could not request your participation.

For the manufactured home identified in Section I of this form, please complete Sections II through IV, as needed. Manufacturers, suppliers, developers, and lenders use the results of this voluntary survey to make more informed decisions concerning industry production, investment, and financing.

In an effort to conduct this survey in a cost effective manner, we have developed an electronic reporting instrument. **Please report online at <https://econhelp.census.gov/mhs> using the User ID and Password printed on your form.**

If you prefer, you may fax the form to us toll-free at 1-800-274-0761 or mail the form to us in the enclosed postage-paid return envelope. If we do not receive your response, we will contact you via telephone. Please remember to retain a copy of your response for your records.

We recognize that providing this information is a burden. To help minimize the burden, we request information for only a sample of homes shipped by manufacturers and provide the option of an online or toll-free response. The law that authorizes this survey (Title 13, United States Code) requires that we keep your report strictly confidential. We will release and publish only statistical aggregates, which do not reveal the operations of individual dealers.

Public reporting burden for this survey is estimated to average 20 minutes to complete. If you have any comments regarding these estimates or any other aspect of this survey, including suggestions for reducing the burden, send them to: Paperwork Project 2528-0029, U.S. Census Bureau, 4600 Silver Hill Road, EMD-6K064, Washington, DC 20233-1500. You may e-mail comments to Paperwork@census.gov; use "Paperwork Project 2528-0029" as the subject. This agency may not collect this information, and you are not required to complete this form, unless it displays a current valid Office of Management and Budget control number.

If you have any questions, please contact the Census Bureau staff on 1-800-845-8249, Monday through Friday, 8 a.m. to 4:30 p.m., Eastern time. Thank you in advance for your cooperation.

Sincerely,
