If there are changes from the prior quarter for the Annual closing date or the FEIN, attach a separate sheet noting the circumstances of the change and the current status of the former FEIN.

The reports need to be filed on a properly consolidated basis including any subsidiary operating under bankruptcy protection. (See *Consolidation Rules* in **5** below.) Please note if any operations have been discontinued. If the company is unable to comply with the reporting requirements because the books of the ongoing operations are under the control of a court appointed trustee, etc., please explain on a separate sheet. (Include your 10-digit Username on all attached information.)

4 Parent Corporation – Give the corporate name, FEIN, and address of any parent domestic company (owns more than 50 percent of voting securities).
