

A Message from the Acting Director, U.S. Census Bureau:

We are requesting your participation with the **Quarterly Financial Report**. The U.S. Census Bureau conducts this survey in order to provide vital statistics describing current business conditions of the U.S. economy. Survey results are used to prepare national measures of corporate profits, including estimates of the Gross Domestic Income, and to formulate fiscal and monetary policy. Your company's participation is critical to this effort.

Use the enclosed form as a worksheet prior to reporting online or return the completed form in the enclosed envelope. Online reporting is easy, reduces costs, and decreases processing times. Website and login information can be found on the front page of the form.

YOUR RESPONSE IS REQUIRED BY LAW and will be kept strictly **CONFIDENTIAL**. Information about the authority, confidentiality, and burden of this data collection can be found on the back of this letter.

For assistance with completing this survey, please call us on 1-800-272-4250, Monday through Friday, 8:00 a.m. to 5:00 p.m. Eastern time.

Thank you in advance for your time and participation, and for helping the U.S. Census Bureau measure America's people and economy.

Sincerely,
