

2022 Economic Census
TW-4930X - Warehousing and Storage (Enterprise Support)

Location Information

DEFINITION OF ESTABLISHMENT

An **establishment** is generally a single physical location where business is conducted or where services or industrial operations are performed. This includes all selling and service locations of a company and any other facilities such as warehouses, administrative offices, terminals, etc., that were in operation at any time during 2022. Permanent (or temporary) locations with no paid employees (such as unmanned warehouses) are not considered separate establishments.

DEFINITION OF AN ENTERPRISE

An **enterprise** or company is a business, service, or membership organization consisting of one or more establishments within the United States under common ownership or control. It includes all establishments of subsidiary companies, where there is more than 50 percent ownership, as well as establishments of firms which the enterprise has the power to direct or cause the direction of management and policies.

DEFINITION OF AN ENTERPRISE SUPPORT ESTABLISHMENT

An **enterprise support establishment** is an establishment that is primarily engaged in performing management, supervision, general administrative functions, and supporting services such as trucking and warehousing for other establishments of the same enterprise, rather than for the general public or other business firms.
